STATIC TOW BOLLARD PULL 58 TONS

SPEED UP TO 30 KNOTS

Fast Offshore Supply Pte Ltd (FOS), established in 2003, is a local marine offshore company serving primarily the regional oil & gas industry companies. Foreseeing the growing and changing needs of the industry in the horizon, FOS designs and builds customised multipurpose fast support/supply vessels which are unique to the operational requirements of each of its clients.

Fighting Vessel. It has a top speed of 30 knots and a Bollard Pull of 58 Tons.

The special feature of the vessel is that it is multi-functional, catering for: * Crew change from 80 pax and above * DP 1 * FIFI 1 * ERRV B Certified * IMDG (Dangerous Cargo on Deck) * Spray Shield * Large Cargo Area * Large Sitting Capacity * Passenger Sleeping Bunk * High Speed * Towing Services.

TOWING RIG

ERRV CLASS B CERTIFIED

LARGE DECK AREA

The company recently unveiled the world's most powerful mono-hull aluminum vessel, the FOS Leo - a new concept of an "all-in-one" offshore support vessel combining different functions into one single vessel operating as Towing Vessel, Supply Vessel, High Speed Vessel and Fire

It complies with the standards of major oil companies and with the international Health Safety and Environment (HSE) standards.
